- Exclusive access to UEFA Nations League & EURO 2028 Qualifying Campaign Ticket. *
- Exclusive access to Cymru men's away match tickets. *

HOW LONG DOES MEMBERSHIP LAST?

Membership will run until the end of Cymru's EURO 2028 Qualifying Campaign and, subject to qualification, will extend to the EURO 2028 finals tournament. Membership will also give priority access to UEFA Nations League and/or EURO 2028 Qualifying Play-Off matches if Cymru are involved.

HOW MANY TICKETS CAN A RED WALL ADULT/JUNIOR MEMBER PURCHASE?

- **Home match tickets:** Red Wall Adult/Junior members can generally purchase up to 4 tickets for home matches. This may be reduced for matches with extremely high demand (e.g. play-off matches) or limited availability, or increased for matches with increased availability.
- **Campaign tickets:** Campaign tickets are limited to one per member.
- **Away match tickets:** Away match tickets are also limited to one per member and will be sold subject to the FAW's loyalty scheme.

HOW DOES THE LOYALTY SCHEME WORK?

In cases where allocations are restricted, tickets will be sold subject to the FAW's loyalty scheme. This will prioritise supporters with previous Cymru match booking history. Eligibility criteria for away matches will generally prioritise supporters with away match booking history, while criteria for home matches will usually prioritise Campaign Ticket holders.

Should Cymru qualify for EURO 2028, and subject to any restrictions imposed by UEFA's sale processes, a loyalty scheme will be in place for the Red Wall allocation. As well as Red Wall membership, this will take into account Campaign Tickets and individual home/away matches. When purchasing tickets, please ensure they are assigned to the Red Wall member using them or they will not be credited – tickets cannot be assigned to an account retrospectively.

Any queries relating to Red Wall membership or tickets can be sent to tickets@faw.co.uk.
