- 15.6. If undershorts or tights or undersocks or undershirts are to be worn by a Player in a Match, they must be of a colour approved by the FAW in relation to the applicable Authorised Kit prior to the relevant Playing Season and they must comply with Laws of the Game.
- 15.7. No Club shall be permitted to register or play a Match in kit colours (comprising shirts, shorts and socks) which are likely to cause confusion with the outfits worn by Referees and Assistant Referees.
- 15.8. The Players’ shirts for each Match must be clearly numbered (and if applicable named) in accordance with the Team Sheet handed to the Referee before the Match and there must be no change of numbers during the Match except if there is a change of goalkeeper. During each Match, the captain of each team shall wear the distinguishing arm band provided to each Club by the FAW to indicate her status.
- 15.9. Clubs wishing to make alterations to their Authorised Kits after the date set by the FAW under Rule 15.2 above, must make an application to the FAW.
- 15.10. All Players participating in Matches must carry the League’s and/or a League sponsor’s logo on one or both sleeves of their shirts. The Champion Club may also wear a domestic titles logo and/or stars, subject to the prior written approval of the FAW. There shall be no form of words,

advertising, badge or other logo above or below the sleeve badge(s) except as permitted by the FAW.

Guidance Note

Where one sleeve patch is provided, Clubs must wear the League's and or a League sponsor's logo on the right sleeve. In addition, patches may not be sublimated into any kits.

- 15.11. The FAW requires all Players participating in Matches to carry the League's logo on the sleeve of their shirts and/or a League sponsor's logo on the sleeve(s) of their shirts, as directed by the FAW.
- 15.12. Each Home Club must ensure that sufficient ball retrievers and/or other personnel are on duty at each Match to ensure a speedy and safe return of the football to the field of play. The colours of the clothing worn by any ball retrievers and/or other personnel for each Match must not clash with those of either of the competing teams or Match Officials.
- 15.13. All kits for Matches must comply with FAW Kit Regulations.

16. Scheduling of Matches and Kick-Off Times

- 16.1. The FAW shall determine how the Matches shall be arranged and rearranged over the Playing Season. The draft schedule of the Matches shall be issued by the FAW for consultation with the Clubs, which may then be amended by the FAW. The FAW may also change the schedule of Matches during the Playing Season to suit the overall interests of the League. The final schedule of Matches approved by the FAW shall not be subject to any appeals or protests by Clubs. The Matches shall take precedence over all competitions in which a Club may engage, with the exception of the FAW Women's Cup, Adran Trophy, UEFA club competitions and any invitational competition as agreed by the FAW.
- 16.2. Each weekend Match is to be played on a Sunday at 2pm, unless specified otherwise by the FAW in its sole discretion.

Guidance

Fixtures may be moved from a Sunday afternoon by the FAW for the following reasons (this is not an exhaustive list):

- *Broadcast selection*
- *Strategic scheduling (for example, to avoid other sporting events)*
- *International fixture*

- 16.3. Any dispute between two or more Clubs as to the arrangement of a Match shall be referred to and decided by the FAW, and the FAW shall have absolute discretion in that respect.

Guidance

In cases here moves cannot be mutually agreed, Clubs can refer to the matter to the FAW for determination.

On these occasions, the following non-exhaustive list of points all form part of the FAW's consideration:

- *Home Clubs must provide compelling motives and clear rationale for the alteration, together with any supporting evidence. These can include both operational arguments as well as those relating to commercial gain.*
- *Away Clubs must provide their reasons for objecting to the move and provide any substantiating evidence.*
- *What are both Clubs' fixtures either side of the Match in question.*
- *Is there an inequitable run of away fixtures over a short period of time.*

- *Any effect on the ability to schedule undated fixtures.*
- *Timing of the request being made.*

Whilst it is important to stress that each case will be treated in isolation and be judged on its merits, it should be noted that in the absence of any specific and compelling footballing reasons being given by the Away Club that would prevent a move, permission for such requests will in normal circumstances not be unreasonably withheld.

- 16.4. Clubs shall not be required to play a Match within sixty (60) hours prior to, or within sixty (60) hours after, kick off of a UEFA club competition Match.
- 16.5. The time of kick-off for all Matches shall be determined by the FAW.
- 16.6. All changes to time of kick-off of a Match which may be agreed between the two (2) participating Clubs shall be promptly notified to the FAW by the Home Club at least two (2) weeks prior to the date of the Match, for approval by the FAW, who shall consider such relevant factors such as whether the new time might adversely affect any Transmission Contract requirements.
- 16.7. All Clubs must adhere to the kick-off time as set by the FAW. Clubs and Match Officials must report any delays to the FAW. It is the responsibility of both Clubs to make arrangements to ensure there are no unnecessary delays to the kick-off time, to include appropriate travel arrangements, Player warm-up periods, and pre-match timings.
- 16.8. In all Matches, the half-time interval shall not exceed fifteen (15) minutes.
- 16.9. Each Home Club shall confirm its proposed full Authorised Kit colours (including goalkeeper) for a Match, via the systems and procedures set by the FAW from time to time at least three (3) days prior to the Match. The Away Club and Referee must also confirm their proposed full Authorised Kit colours (including goalkeeper) for the Match, via the systems and procedures set by the FAW from time to time at least three (3) days prior to Match. The Match Referee must confirm approval of both Clubs' proposed kit colours with both Clubs and the FAW via email at least forty-eight (48) hours prior to kick off, unless it is impracticable to do so. If the Match Referee believes that there will be a clash of kit colours for a Match, then they may (after consultation with the FAW, except where it is impracticable to do so on a Match day) require the Away Club or the Home Club to change their kit colours for the Match. Each Club shall arrive for a Match with the kit which has been approved by the Match Referee as set out above.
- 16.10. Away Clubs shall also confirm in such match correspondence to Home Clubs if they will be attending post-Match hospitality or not.
- 16.11. Where a Match is re-arranged or cancelled after the Match Officials have been appointed, it is the duty of the Home Club to notify the Match Officials of the cancellation of their appointments immediately.
- 16.12. No Club shall be allowed to postpone a fixture with another Club unless it is to play in the FAW Women's Cup, Adran Trophy or a UEFA competition.
- 16.13. Clubs affected by the selection of two or more players for International Matches may be permitted by the FAW to postpone their League Match on the days of such Matches. Any requests to postpone Matches for this reason shall be made in writing to the FAW within forty eight (48) hours of the relevant International squad announcement. Consideration shall be given regarding late call ups to the above-mentioned International Matches. The League reserves the right to arrange Matches for those Clubs who do not have a scheduled Match. If one player is selected and that player is the goalkeeper, a Club could make a similar request for the postponement of its League fixture.
- 16.14. The League reserves the right to arrange matches for those clubs who do not have a scheduled fixture on a Sunday. Clubs shall be given a minimum of fourteen (14) clear days' notice to any new fixture dates, unless in extreme circumstances or when mutually agreed by all parties.

- 16.15. Clubs must give priority to Matches whether home or away. This means that a Club must not allow any non-Match related activities to interfere with or take precedence over a Match.

Guidance

This Rule 17.15 will apply throughout the Playing Season, including in cases where the Association rearranges Matches following confirmation of the initial fixture schedule. Clubs are expected to cancel or postpone any pre-existing events at their venues to prioritise Matches as required.

- 16.16. The FAW retains the right to be the final arbiter of the date and kick off time in the best interests of the League, including for televised matches.

17. Condition of Grounds and Postponements

- 17.1. Any Match not completed may be ordered to stand as a completed Match or replayed for the full period of ninety (90) minutes, as the FAW may direct. In the event of a Match not being played to a finish owing to fog or other causes over which neither Club has control, the Home Club shall take its own gate receipts of such uncompleted Match and the gate receipts of the replayed Match.
- 17.2. A Match may only be postponed:
- 17.2.1. With the approval of the Match Referee or the available referee and the FAW on Match day-1;

 - 17.2.3. By order of the police;
 - 17.2.4. By order of any other authority exercising its statutory powers; or
 - 17.2.5. With the approval of the FAW.
- 17.3. Each participating Club shall take all reasonable steps to avoid the postponement of a Match.

- 17.6. Requests for the postponement of a Match on medical grounds will not be considered more than forty-eight (48) hours before the scheduled time of kick-off.
- 17.7. When a Match is postponed for any reason, the FAW will decide the new date on which the Match is to be played following consultation (the time period for which will be at the discretion of the FAW) with both Clubs but without the right of appeal by either Club.
- 17.8. No Club shall postpone the playing of a Match on account of apparent unfitness of its ground, the Referee being the sole person to decide as to the fitness after inspection. In bad weather, or where it seems apparent that there is not a possibility of the Match being played, it shall be obligatory for the Home Club to call in the most senior FAW qualified referee available (or designated person as deemed competent by the FAW Match Officials Manager), to give a ruling as to the fitness after consultation with the FAW. The time of any inspection shall be by mutual agreement between the two Clubs taking into account the travelling time of the visiting Club, but shall not be considered more than forty-eight (48) hours before the scheduled time of kick-off. In case of dispute, the FAW shall decide the time of any inspection.
- 17.9. In the event of the available referee declaring the ground unfit, the Home Club shall notify the Visiting Club and the Match Officials forthwith by email and telephone call to avoid all unnecessary expense in travelling. The Visiting Club shall forthwith acknowledge receipt of such notice. If the Home Club does not receive an acknowledgement promptly, the Home Club shall forthwith notify the FAW.

- 17.10. If the available referee (or designated person as deemed competent by the FAW Match Officials Manager) does not declare the ground unfit, a final decision shall be made by the Match Referee upon their arrival at the ground (each such Referee taking into account that Referees should not hastily postpone or abandon Matches). A Match Official conducting ground inspections shall be entitled to an inspection fee, as set by the FAW Referees Committee from time to time, and travelling expenses to be met by the League.
- 17.11. When a Club obtains the approval of the FAW to postpone a Match because of an epidemic or similar affecting the availability of its Players, that Club shall be liable to pay any direct expenses (if any) incurred by the opposing Club as a result of the postponement.
- 17.12. Medical Certificates for those Players affected sent signed by the Player's own doctor must be forwarded to the FAW within fourteen (14) days of the postponement, along with the full list of Professional Players and Amateur Players currently engaged by the Club during the Season, giving full reasons against each name for that Player's unavailability. Failure to provide such evidence may see the club sanctioned as per an unfulfilled fixture.
- 17.13. Requests for the postponement of a Match on medical grounds will not be considered more than forty eight (48) hour before the scheduled time of kick-off.
- 17.14. The FAW may require a Home Club to identify a suitable alternative ground for a Match if they have any concerns about the condition of the Home Club's ground in the build up to a Match. Any such proposed alternative ground shall be subject to the approval of the FAW.
- 17.15. Any Club failing to fulfil its fixture obligations in respect of any Match on the appointed date or dates or causing the FAW to cancel, postpone, abandon or suspend any Match shall be deemed guilty of misconduct unless the Club is successfully able to demonstrate that Rule 17.16 below applies. The burden of proof will rest with the Club.
- 17.16. The Club will be deemed to be guilty of misconduct in accordance with Rule 17.15 above where it is able to demonstrate that:
- 17.16.1. The dominant and effective cause of the non-fulfilment was the occurrence of an event which was outside the control of the Club ("Event"); and
- 17.16.2. The Club could not have reasonably foreseen or reasonably anticipated and remedied the consequences of the Event prior to the Match despite using its best endeavours to do so.
- 17.17. The Club failing to fulfil its fixture or causing the FAW to suspend a Match shall be liable to pay compensation for any expenses actually incurred by the opposing Club as a direct result of the failure or suspension. The amount of compensation will be at the discretion of the FAW who will consider every such case on its merits.
- 17.18. Each Club shall ensure, or shall procure, that its home ground is insured against damage or destruction by such insured risks as are required by the FAW from time to time with a reputable insurer (regulated under the Financial Services and Markets Act 2000) for the full cost of repairing, rebuilding and reinstating the ground (including all stands) and for these purposes this includes VAT, professional fees (for example architects, surveyors, engineers and solicitors) and any fees payable on any applications for planning permission or other permits or consents which may be required in relation to site preparation, repairing, rebuilding or reinstating the stadium. A Club shall provide the FAW with full copies of such documentation as the FAW may reasonably require regarding such insurance policy(ies). Any Club in default of this obligation may have such amounts owed to it by the FAW withheld until such time as the insurance is in place.
