- 12.6 If the competing Clubs are not able to play the match at the ground of the home Club or the away Club on the default date and time, due to a reason which would lead to the match being postponed, the competing Clubs can mutually agree to:
- 12.6.1 Play at a different date and time; or

- 12.9 The FAW shall have the power to order any match to be played on an alternative ground and/or time if it is deemed necessary.

Such appeal must be accompanied by a fee of £50.00 which may be forfeited if the appeal is not sustained. The FAW may direct the match to be played on

the ground of the appealing Club, or on a neutral ground. The payment of the expenses incidental to the Appeal shall be at the discretion of the FAW.

13.4 *Playing Condition of the Ground*

- 13.4.1 The postponement of a Match due to ground conditions must be carried out in accordance with this Rule. No Club shall postpone the playing of a Match on account of apparent unfitness of its ground, the Referee or designated person as deemed competent by the FAW Match Officials Manager being the sole person to decide as to the fitness after inspection. In bad weather, or where it seems apparent that there is not a possibility of the Match being played, it shall be obligatory for the Home Club to call in the most senior FAW qualified referee available, to give a ruling as to the fitness after consultation with the FAW. The time of any inspection shall be by mutual agreement between the two Clubs taking into account the travelling time of the visiting Club. In case of dispute, the FAW shall decide the time of any inspection.
- 13.4.2 In the event of the available referee declaring the ground unfit, the Home Club shall notify the Visiting Club and the Match Officials forthwith by email and telephone call to avoid all unnecessary expense in travelling. 14.2.2 In any case, if the referee notices on the spot that the colours of the two teams could lead to confusion, they decide on the colours. As a rule, in such cases it is the home team that has to change colours, for practical reasons.

14.2.3 For the final, both teams may wear their first choice of colours. However, if there is a clash, the team designated as the away team must wear alternative colours. The FAW proposes suitably contrasting colours in advance of the match.

17.1 *Extra Time*

- 17.1.1 Extra Time is not played in this Competition.

17.2 *Penalties*

- 17.2.2 The referee decides which goal will be used for the kicks:
- 17.2.2.1 For reasons of safety/security, state of the field of play, lighting, broadcast visibility or other similar reasons, the referee may decide which goal will be used without tossing a coin. Such decisions are final and require no justification.
 - 17.2.2.2 If either goal could be used for the kicks as determined by the Referee, then, in the presence of the two captains, the referee tosses a coin to decide which goal will be used.

When the fixture has been reversed, the Club which will now host the match is responsible for all of the expenses relating to the fixture.

18.3 Matches abandoned through the fault of one or both Clubs, shall be dealt with by the FAW.

18.4 If there are fewer than seven (7) players on either of the teams, the match is abandoned. In this case, the PGAC Disciplinary Panel decides on the consequences.

If one player is selected and that player is the goalkeeper, a Club could make a similar request for the postponement of its Cup fixture. Matches postponed on this basis will have a new date set by the FAW.

19. Floodlighting

19.1 Matches may be played in daylight or under floodlight conditions provided that the installation meets with the approval of the FAW or by mutual agreement of the two Clubs.

19.2 Clubs may appeal to the FAW within three days of the receipt of the official intimation of the draw if they consider the floodlights of the Club on whose ground the tie is to be played to be below the required standard. Such appeal must be accompanied by a fee of £50.00, which may be forfeited if the appeal is not sustained.
