15. Scheduling of Matches and Kick-Off Times

15.1 The FAW shall determine how the Matches shall be arranged and rearranged over the Playing Season. The draft schedule of the Matches shall be issued by the FAW for consultation with the Clubs, which may then be amended by the FAW. The FAW may also change the schedule of Matches during the Playing Season to suit the overall interests of the League. The final schedule of Matches approved by the FAW shall not be subject to any appeals or protests by Clubs. The Matches shall take precedence over all competitions in which a Club may engage.

15.2 The Matches will predominantly be played on Saturdays, with flexible kick off times.

Guidance

The kick-off time for each Match shall be determined by the Home Club. When setting the kick-off time, the Home Club should give due consideration to the distance to be travelled by the Away Club. If the Clubs are unable to agree on a suitable kick-off time, either Club may refer the matter to the FAW, whose determination shall be final.

15.3 When a Match is postponed, both Clubs shall endeavour to agree an alternative Match date within seven (7) days and, once a date is agreed, the Home Club shall immediately notify the FAW of the proposed date for the FAW's approval. If the Clubs fail to agree within the seven (7) day period, the FAW shall impose a date without right of appeal by either Club.

15.4 Any dispute between two or more Clubs as to the arrangement of a Match shall be referred to and decided by the FAW, and the FAW shall have absolute discretion in that respect.

Guidance

In cases where moves cannot be mutually agreed, Clubs can refer the matter to the FAW for determination.

On these occasions, the following non-exhaustive list of points all form part of the FAW's consideration:

- *Home Clubs must provide compelling motives and clear rationale for the alteration, together with any supporting evidence. These can include both operational arguments as well as those relating to commercial gain.*
- *Away Clubs must provide their reasons for objecting to the move and provide any substantiating evidence.*
- *What are both Clubs' fixtures either side of the Match in question.*
- *Is there an inequitable run of away fixtures over a short period of time.*
- *Any effect on the ability to schedule undated fixtures.*
- *Timing of the request being made.*

In the absence of any specific and compelling footballing reasons being given by the Away Club that would prevent a move, permission for such requests will in normal circumstances not be unreasonably withheld.

15.5 All changes to time of kick-off of a Match which may be agreed between the two (2) participating Clubs shall be promptly notified to the FAW by the Home Club at least two (2) weeks prior to the date of the Match, for approval by the FAW.

15.6 In all Matches, the half-time interval shall not exceed fifteen (15) minutes.

15.7 Where both Clubs are in agreement, a Match may be brought forward to the preceding week of the original Match and not less than seventy- two (72) hours after the last Match either Club has fulfilled. No kick-off times later than the scheduled time will be permitted, unless under floodlights. At least fourteen (14) Clear Days prior notice is required from Clubs wishing to re-arrange a Match or change a kick off time, and each such notice period must exclude the new proposed date of a Match; a request made in less than this period of time will only be considered by the FAW in exceptional circumstances.

15.8 Clubs affected by the selection of two (2) or more players for international matches may be permitted by the FAW to postpone a Match on the days of such international matches. Any requests to postpone Matches for this reason shall be made in writing to the FAW within forty eight (48) hours of the relevant international squad announcement. Consideration shall be given regarding late call ups to the above-mentioned international matches. The League reserves the right to arrange Matches for those Clubs who do not have a scheduled Match.

15.9 Clubs must give priority to Matches whether home or away. This means that a Club must not allow any non-Match related activities to interfere with or take precedence over a Match.

<u>Guidance</u>

This Rule 15.9 will apply throughout the Playing Season, including in cases where the Association rearranges Matches following confirmation of the initial fixture schedule. Clubs are expected to cancel or postpone any pre-existing events at their venues to prioritise Matches as required.

15.10 Any Club without just cause failing to fulfil an engagement to play a Match on the appointed date or causing a Match to be abandoned without giving a reason deemed to be satisfactory by the FAW shall have three points deducted, be liable for any reasonable expenses as deemed necessary by the FAW and shall be fined fifty pounds (£50.00). Any subsequent charges for the same offence will be fined one hundred pounds (£100.00) and shall have three points deducted for each offence.

15.11 The League reserves the right to arrange Matches for those Clubs who do not have a scheduled Match on a Saturday. Clubs shall be given a minimum of fourteen (14) clear days' notice to any new Match dates, unless in extreme circumstances or when mutually agreed by all parties.

15.12 The FAW retains the right to be the final arbiter of the date and kick off time in the best interests of the League, including for televised Matches.

15.13 Away Clubs shall also confirm in such Match correspondence to Home Clubs if they will be attending post-Match hospitality or not.

16. Condition of Grounds and Postponements

16.1 Any Match not completed may be ordered to stand as a completed Match or replayed for the full period of eighty (80) minutes, as the FAW may direct. In the event of a Match not being played to a finish owing to fog or other causes over which neither Club has control, the Home Club shall take its own gate receipts of such uncompleted Match and the gate receipts of the replayed Match.

16.2 A Match may only be postponed:

16.2.1 With the approval of the Match Referee or the available Referee and the FAW on the day of the Match -1.

16.2.2 With the approval of the Match Referee or the available Referee on the day of the Match.

16.2.3 By order of the police.

16.2.4 By order of any other authority exercising its statutory powers; or

16.2.5 With the approval of the FAW.

16.3 Each participating Club shall take all reasonable steps to avoid the postponement of a Match.

16.4 In the case of the Away Club, should it have undertaken all or part of the journey, travelling expenses and meal allowance may be claimed based on the total mileage on the whole journey. The allowance will be as assessed by the FAW up to a maximum of £500.

16.5 A Club may obtain the approval of the FAW to postpone a Match because of an epidemic or similar affecting the availability of its Players. If granted that Club shall be liable to pay any direct expenses (if any) incurred by the opposing Club as a result of the postponement.

16.5.1 Requests for the postponement of a Match on medical grounds will not be considered more than forty-eight (48) hours before the scheduled time of kick-off.

16.5.2 Medical certificates for those Players affected sent signed by the Player's own doctor must be forwarded to the FAW within fourteen (14) days of the postponement, along with the full list of Players currently engaged by the Club during the Season, giving full reasons against each name for that Player unavailability. Failure to provide such evidence may see the club sanctioned as per an unfulfilled fixture.

16.6 Details of the compensation claim by either/both Clubs shall be placed before the FAW, with all the details clearly itemised.

16.7 When a Match is postponed for any reason, the FAW will decide the new date on which the Match is to be played following consultation (the time period for which will be at the discretion of the FAW) with both Clubs but without right of appeal by either Club.

16.8 No Club shall postpone the playing of a Match on account of apparent unfitness of its ground, the Referee being the sole person to decide as to the fitness after inspection. In bad weather, or where it seems apparent that there is not a possibility of the Match being played, it shall be obligatory for the Home Club to call in the most senior FAW qualified Referee available (or designated person as deemed competent by the FAW), to give a ruling as to the fitness. The time of any inspection shall be by mutual agreement between the two Clubs taking into account the travelling time of the Away Club, but shall not be considered more than forty-eight (48) hours before the scheduled time of kick-off. In case of dispute, the FAW shall decide the time of any inspection. A Match Official conducting ground inspections shall be entitled to an inspection fee, as set by the FAW from time to time, and travelling expenses to be met by the League.

16.9 In the event of the available Referee declaring the ground unfit, the Home Club shall notify the Away Club and the Match Officials forthwith by email and telephone call to avoid all unnecessary expense in travelling. The Away Club shall forthwith acknowledge receipt of such notice. If the Home Club does not receive an acknowledgement promptly, the Home Club shall forthwith notify the FAW.

16.10 If the available Referee (or designated person as deemed competent by the FAW) does not declare the ground unfit, a final decision shall be made by the Match Referee upon their arrival at the ground (each such Referee taking into account that Referees should not hastily postpone or abandon Matches).

16.11 The FAW may require a Home Club to identify a suitable alternative ground for a Match if they have any concerns about the condition of the Home Club's ground in the build up to a Match. Any such proposed alternative ground shall be subject to the approval of the FAW.

16.12 Any Club failing to fulfil its fixture obligations in respect of any Match on the appointed date or dates or causing the FAW to cancel, postpone, abandon or suspend any Match shall be deemed guilty of misconduct unless the Club is successfully able to demonstrate that Rule 16.13 below applies. The burden of proof will rest with the Club.

16.13 The Club will not be deemed to be guilty of misconduct in accordance with Rule 16.12 above where it is able to demonstrate that:

16.13.1 the dominant and effective cause of the non-fulfilment was the occurrence of an event which was outside the control of the Club ("**Event**"); and

16.13.2 the Club could not have reasonably foreseen or reasonably anticipated and remedied the consequences of the Event prior to the Match despite using its best endeavours to do so.

16.14 The Club failing to fulfil its fixture or causing the FAW to suspend a Match shall be liable to pay compensation for any expenses actually incurred by the opposing Club as a direct result of the failure or suspension. The amount of compensation will be at the discretion of the FAW who will consider every such case on its merits.

17. Match Officials

17.1 The FAW shall decide on the appointments of Match Officials.

17.2 Match Officials should be present at the appointment at least sixty (60) minutes prior to the advertised time of kick-off. The appointed Referee may be required to visit the ground earlier if requested to do so by the Home Club. If any Match Official becomes aware that they are likely to arrive late, they must immediately notify the participating Clubs, other Match Officials and the FAW via telephone calls.

17.3 In cases where it is considered necessary to stop playing a Match owing to adverse weather or another cause, the Referee must wait a reasonable length of time before deciding on abandonment.

17.4 For Matches where only one (1) Referee is appointed, the Assistant Referees should adjudicate the ball out of play.

17.5 Should the appointed Referee fail to appear, the senior Assistant Referee shall take charge. The senior Assistant Referee is the Assistant Referee with the longer service on the League. In the event that there are also no appointed Assistant Referees, the two Clubs must agree prior to the start of the Match to appoint an official at the ground. Such Referee shall be considered to be the Match Official. Priority must be given to anyone who holds a Referee qualification and is prepared to undertake the appointment.

17.6 Each Home Club shall confirm full kit colours (including goalkeeper) using the systems and procedures set by the FAW from time to time at least three (3) days prior to the Match. The Away Club and Referee must also confirm full details (including goalkeeper) via the systems and procedures set by the FAW from time to time at least three (3) days prior to the Match. Failure to adhere to these deadlines may result in a fine. The Match Referee must check the proposed kit at least forty-eight (48) hours prior to kick off and inform the FAW should there be any concerns.

17.7 Match Officials fees (as set by the FAW) shall be paid by the Home Club and the Home Club shall also be liable for their travel expenses, unless otherwise approved by the FAW.

17.8 If a Match Official prefers being paid their fees and expenses either in cash or by bank transfer, they must notify the Home Club of their preference at least forty-eight (48) hours before the Match. Otherwise, the Home Club shall decide on the payment method. The Home Club must pay the Match Officials their fees and expenses either

(a) in cash on the day of the Match or (b) by bank transfer within three (3) Business Days after the Match.

17.9 All Match Officials shall be entitled to claim the cheapest form of rail travel available on the day of the Match or motoring expenses determined from time to time by the FAW when travelling by car. Match Officials must travel together when instructed to do so by the FAW.

17.10 In the case of postponed Matches where they have travelled but where the game has not kicked off the Match Officials shall be paid their travelling expenses by the Home Club. They shall also receive half their Match Fee from the Home Club. If a match is abandoned once the match has commenced, all Match Officials are entitled to claim their full Match fee plus travelling expenses.

17.11 All players who receive treatment, or where the physio/doctor enters the field of play will be required to remain off the field of play for a minimum of 1 minute before returning on the referees' signal.

17.12 The Referee shall send the completed standard Referee's report form to the FAW within sixty (60) minutes of the final whistle, using the systems and procedures set by the FAW from time to time.

17.13 The Referee's report form must be complete in all details, including the result of the Match, the full names of the Players taking part in the Match, the names of the substitutes and details of any substitutions made (including the Match time when the substitution was made), and details of any yellow cards and red cards issued (including the Match time when the card was issued).

17.14 Referees must report to the FAW all cases where Clubs commence a Match late, or without eleven (11) Players on the field, where the Team Sheet was amended after submission and also if applicable in case of their own or any Assistant Referee's (including the Fourth Official's) late arrival for any Match as soon as possible after the Match. If applicable Assistant Referees and Fourth Officials must also send an explanation of their late arrival to the FAW as soon as possible after the Match.

17.15 The FAW may appoint a referee observer, whose identity will be confirmed using the systems and procedures set by the FAW from time to time. The Referee Observer will also act as the Match delegate and is responsible for ensuring the orderly organisation of the Match and that the Competition and FAW Rules and Regulations are complied with. The Referee Observer may submit a report to the FAW if they deem it necessary following any alleged breaches of the FAW Rules and FAW Regulations.

17.16 Any comments, questions or complaints regarding the decisions of a given Match Official shall be directed to the FAW (initially via email), not to any individual Match Official. Under no circumstances are conversations between Club personnel and Match Officials to be recorded with any device without the knowledge and permission of all parties.

18. Team Sheets and Strength of Teams

18.1 Both Match Team Sheets must be completed at least thirty (30) minutes before kick-off of each Match.

18.2 Any Club altering its team selection or numbering after Team Sheets have been exchanged will be subject to any action decided upon by the PGAC Disciplinary Panel.

After the validated Team Sheets have been submitted by both Clubs, and if the Match has not yet kicked off, no replacement is allowed except in the following cases:

18.2.1 If any of the eleven (11) Players indicated on the Team Sheet as forming the starting eleven (11) Players are not able to start the Match due to physical incapacity, they may only be replaced by any of the substitutes listed on the initial Team Sheet. The substitute(s) in question may then only be replaced by a registered Player (or Players) not listed on the initial Team Sheet, so that the quota of substitutes is not reduced. During the Match, seven (7) Players may still be substituted.

18.2.2 Should the named goalkeeper indicated on the Team Sheet as forming the starting eleven (11) is not able to start the Match due to physical incapacity, they may be replaced by another nominated goalkeeper, regardless if they have previously been listed as a substitute on the Team Sheet.

18.2.3 If any of the substitutes listed on the Team Sheet are not able to be fielded due to physical incapacity, they may only be replaced by a registered Player not listed on the initial Team Sheet.

18.2.4 The Club concerned must, upon request, provide the FAW with the necessary medical certificates.

A Club Official (as indicated on the Team Sheet) may join the substitutes warming up and, if so, is responsible for compliance with the Referee's instructions.

20.5 Each Club participating in a Match must have two (2) sets of warm up bibs available to present to the Referee before the Match. Should there be a colour clash the Referee will decide which bibs the substitutes must wear during their warm-ups.
